## LIMITED WARRANTY

The FUTABA SERVICE CENTER (**FSC**) warrants this FUTABA Digital Proportional R/C System against any defects in material or workmanship for a period of one (1) year from the date of original consumer purchase. If the product becomes defective during this warranty period, **FSC** will repair it, or replace it at **FSC**'s discretion, without charge for parts or labor, in accordance with the warranty service procedure described below. This warranty extends only to the original consumer buyer and is not assignable or transferable to any other person.

This Limited Warranty does not cover any damage to the product caused by faulty or leaking batteries not supplied by FUTABA, force majeure, accident, misuse, faulty installation, improper maintenance, or repair or alteration by unauthorized persons or agents. This Limited Warranty also does not cover any FUTABA products purchased or used outside of the United States, Canada and/or Mexico in any of their territorial possessions.

Repair or replacement of the product is the **SOLE AND EXCLUSIVE REMEDY** for any loss or damage, no matter what form or how arising, due to a defect in a FUTABA product. **THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WITH ALL IMPLIED WARRANTIES DISCLAIMED TO THE FULLEST EXTENT PERMITTED BY LAW AND IN NO EVENT TO EXCEED ONE YEAR.** Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

**FSC SHALL NOT BE LIABLE UNDER THIS LIMITED WARRANTY FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT OR SPECIAL DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF PROFITS OR OTHER ECONOMIC DAMAGES.** Some states do not allow the exclusion or limitation of incidental or consequential damages so that this above limitation or exclusion of incidental and consequential damages may not apply to you.

This Limited Warranty sets forth FUTABA's entire warranty for these products and may not be modified or supplemented by any written or oral statements by any person or in any other document. This Limited Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

## WARRANTY SERVICE PROCEDURE

We urge you to complete and mail the attached registration card within thirty (30) days after the original purchase date. The information on this card will enable FUTABA to provide you with better service. Keep the owner's portion along with your original bill of sale.

If you need service for your product under this Limited Warranty, you must deliver the product with proof of purchase to the Futaba Service Center (**FSC**) at the address noted below at your expense before the end of the warranty period. All transportation, postage and other charges to ship the product to **FSC** must be prepaid by you. **FSC** will not accept collect or postage due shipments. **FSC** will also not be responsible for any damages occurring during delivery to **FSC** so you should safely and securely pack the product, preferably in its original carton or equivalent, and purchase insurance for the shipment. You should also include in the package a legible copy of the bill of sale and a written note which gives you name, return address and contact telephone number, e-mail address, a description of the product returned (model number, frequency and serial number) and a full explanation of the problem. **FSC** pays the cost of returning products serviced under this Limited Warranty.

Warranty returns should be sent to the following address:

**FUTABA SERVICE CENTER**  
1610 Interstate Drive, Champaign, IL 61822  
Phone: (217) 398-0007 FAX: (217) 398-7721  
E-mail: [service@futaba-rc.com](mailto:service@futaba-rc.com)

## OWNERS WARRANTY CARD

FUTABA congratulates you on your purchase of one of our complete radio control systems.

With proper care and handling, your FUTABA system should provide years of trouble-free operation. However, like any precision electronic component, your system may require simple maintenance or repair to achieve optimum performance.

In order that we may handle your system for any service needs, please complete this side of your Warranty Card and attach your bill of sale to the upper portion. Please complete and return the bottom portion only.
