MODEL RECTIFIER CORPORATION

2500 WOODBRIDGE AVENUE

EDISON, NEW JERSEY 08817

## FIVE YEAR LIMITED WARRANTY

INS-1260

Model Rectifier Corporation (MRC) will, subject to the conditions explained and set forth below, repair at its expense, within five calendar years from the date of sale, any component of the MRC Quick Chargers (RB 460-465-475) which is proven defective by reason of improper workmanship or materials. MRC will repair said component(s) or replace same without charge for all necessary parts or labor.

### CONDITIONS

- 1. Limitation to original purchaser and proof of date of purchase:** The obligations of MRC set forth herein shall only extend to the original retail purchaser of the charger. The burden of proof as to the date of purchase is on the original purchaser, thus it is recommended that you retain your bill of sale or sales receipt and include it with the return of the charger, keeping a copy of same for your records. This bill of sale or sales receipt must show the date of purchase and the name and address of the dealer.
- 2. Validation of Warranty:** The validity of the above stated warranty is contingent upon the original purchaser mailing the attached registration card within ten (10) days after the purchase. Retain this portion of the card, keeping your bill of sale or sales receipt attached to it in the event a warranty repair is needed.
- 3. Proper packaging and shipping:** To obtain a warranty repair, the charger must be shipped freight prepaid to the address shown below. The system must be returned in its original package, which is then placed in an outer carton with not less than 3" of packing material on each side, or a package affording substantially the same degree of protection. A letter explaining the detailed nature of the problem should also be enclosed together with a check or money order in the amount of \$5.00 to cover incidental expenses including postage and handling. Repairs or replacement will be made and returned as soon as practicable after receipt, examination and repair of the charger.
- 4. Exclusions from Warranty:** This warranty does not apply to (a) any marring, scratching or defects in decoration and finish, (b) any damage or defects resulting from misuse, abnormal service, water or weather damage, (c) any damage incurred in shipping and handling, (d) any incidental or consequential damages caused by or resulting from a defect in material or workmanship or other equipment failure. "Incidental or consequential damages" means any damage, loss of or injury to this equipment or to any model, engine or accessory used with this charger resulting in the loss of, crash or damage to the model in which the charger is used. Your sole remedy shall be repair or replacement as hereinabove expressed, under no circumstances shall MRC be liable for any losses or damage, direct or consequential, arising out of the use of or inability to use this MRC Quick Charger. **No implied warranty shall continue beyond five calendar years from the date of purchase.** Further, any modification, alteration or tampering with the MRC charger or any repair other than at the factory automatically voids this warranty.
- 5. Notice:** Some States do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above stated limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may have other rights which vary from State to State.
